More on Santos Grinders

We're not new to the grinding game
explore our existing range.

Learn More

Offer your customers the freedom to
purchase high-quality commercial
coffee grinders directly from you,
whether they prefer to pay by cash,
credit or finance.

With this new solution, you can confidently
compete with coffee roasters and
specialised coffee distributors.
These premium grinders are now available
in Australia, backed by global testing
standards and a reputation for reliability
and performance in the most demanding
commercial environments.
