

COFFEE GRINDER I-GRIND #67

An innovative grinder dedicated to specialty coffee

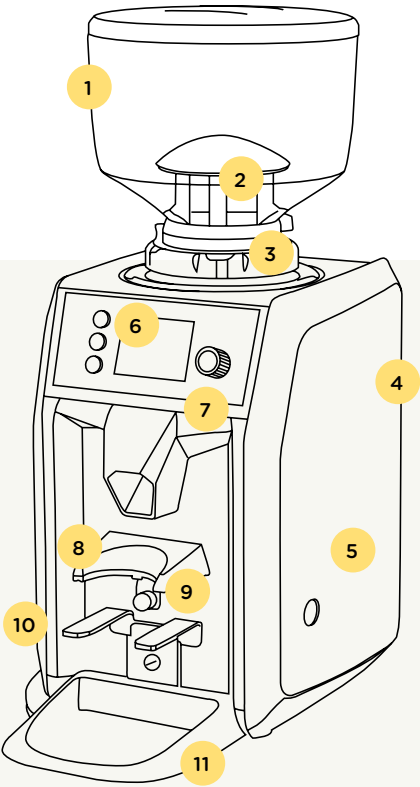

Exclusively equipped with a brushless motor, the I-GRIND coffee grinder #67 offers a wide range of speed variation, including slow grinding, preserving the aroma of your coffee.

Exclusive ! Create your recipes according to 3 parameters: grinding adjustment, motor speed and grinding time.

Santos know how

- Since 1954, Santos has manufactured its own grinding discs for a high quality grinding
- Specialist in silent grinders
- Dose regularity
- No coffee burning during grinding
- Antistatic system
- Easy adjustment and maintenance

Brushless
technology

- 1 1kg (2,2lbs) hopper for coffee beans

2 Hopper shutter

3 Adjusting screw for an easy handling (<0,02mm per graduation). Heat dissipation

4 Ø 63,5 mm (2,5") Santos grinding discs. High resistance, long lasting

5 Powerful, reliable commercial motor. 5-year warranty*
- 6 Integrated LCD display

7 Multifunctional Turn&Push button for easier menu navigation

8 Portafilter holder fork

9 Detection of the filter holder. Automatic distribution of the dose of coffee

10 Adjustable portafilter support

11 Removable drip tray

Unleash your creativity with unlimited customization

Create unique recipes by configuring:

- 1 Grinding adjustment
- 2 Motor speed
- 3 Grinding time

Personalize your daily options:

Activating from 1 to 6 recipes, Stop & Go and pulse function, 7 logos to be assigned for recipes, etc.

Customize your interface:

Language, display of total and/or partial counters, brightness, standby timer, etc.

Slow grinding

Thanks to its powerful and silent exclusive Brushless motor, the I-Grind #67 offers a unique wide range of speed variation, including slow grinding and preserves the aroma of your coffee.

Easy to use

Quick access to the grinding area, in less than one minute: makes maintenance and cleaning easy, while preserving the dose settings. Easy access to the burrs and the clumpcrusher.

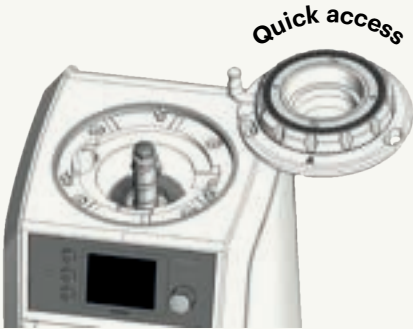

LCD display and multifunctional Turn & Push button: clear and simple customization of the grinder and recipes (dose settings, statistics, brightness, language, etc.).

Quality grinding

Consistent and precise dose and unimodal grinding

Extra fresh ground coffee: no dispenser, coffee beans are ground on demand

Santos manufactures its own grinding discs to give you a perfect grinding.
